ABOUT COLORADO RIVER ALLIANCE

We believe that a healthy, flowing river is imperative to the well-being of our communities and our state. Our mission is to champion the long-term vitality of the Texas Colorado River through education and engagement. We dedicate resources, time, and energy to educating Texans about how the river supports us and how, in turn, we can ensure the longevity of its health. Since 1994, CRA has been connecting kids to the river, teaching them about natural resources, and helping to nurture a generation of water stewards and ambassadors.
